**UPF Rating:**  
**EXCELLENT**

Stencil Cool Dry® products were introduced into the Australian market in 2002. The fabric we select is a high quality yarn, treated to give it a long-lasting cool dry effect. It has a very soft and silky texture and is manufactured using the latest technology. Cool Dry® is a registered trade mark.

Comfortable to wear and made of rich cotton Nano-Gear® offers the benefit of being totally stain repellent – even red wine slides right off! easy care and breathable, Nano-Gear® is ideal for corporate uniforms.
