Stencil Cool Dry® products were introduced into the Australian market in 2002. The fabric we select is a high quality yarn, treated to give it a long-lasting cool dry effect. It has a very soft and silky texture and is manufactured using the latest technology. Cool Dry® is a registered trade mark.

The Stencil Basics® range has been designed with an eye for style and economy. Featuring simple, classic cuts and basic Cool Dry® functions, these garments have a soft silky texture and are comfortable to wear year-round.
